

# Wizard Hat

by Adrienne Franklin

**Pattern Level:** Easy

**Seam Allowance:** 1/4" used throughout and has been added. Press carefully step-by-step.

**Materials Needed:**

7/8-yard medium blue star print

1/2-yard polyester fleece

Polyester stuffing

Matching thread

## Cutting

Enlarge hat pattern using a copier or other method until each of the background squares measures 1".

**From star print cut:**

1 hat and 1 hat lining (use pattern and place on fold of fabric when cutting)

1 brim – 7 1/4" x 36"

**From polyester fleece cut:**

1 hat

## Assembly

1)

Fig. 1

Baste fleece to the wrong side of 1 hat piece close to the edges. Fold hat in half wrong sides facing and sew along straight edge. Fold lining piece in half and sew along straight edge leaving an opening in the seam for turning. See **figure 1**.

2)

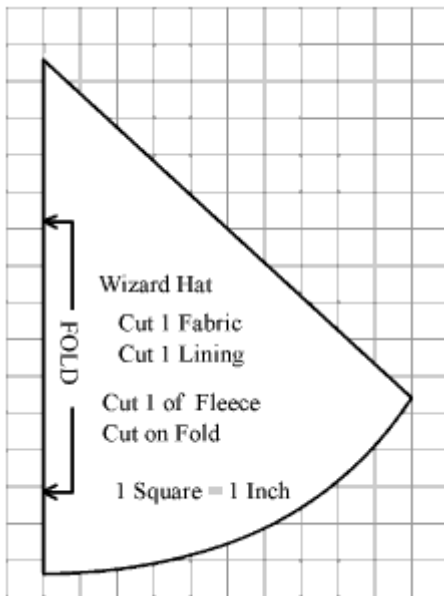

Fig. 2

Place hat inside lining, right sides facing, raw edges and back seams aligned. Sew hat to lining along bottom edge. See **figure 2**. Turn right side out through opening in lining. Slipstitch lining closed.

3)

For brim, fold brim in half lengthwise right sides facing. Sew long edge, leaving ends open for turning. Turn right side out. Stuff firmly with stuffing. Place around bottom of hat and adjust to fit by stuffing one end of brim inside the other until brim fits hat. Fold in raw edge along outer brim section and slipstitch closed. Slipstitch brim to hat all the way around .

# Wizard Cape

by Adrienne Franklin

**Size:** Children's one size fits most

**Pattern Level:** Easy

**Seam Allowance:** 1/4 " seam allowance used throughout.

## Materials Needed:

1 1/4 -yards Castle scenic print (will make a cape up to 40" long)

1 1/2 -yards 3/4" wide ribbon (optional)

Matching thread

## Assembly

- 1) Measure your child from the base of the neck to the desired length of the cape. Add 5" to this measurement and cut a piece of fabric this length by the width of the fabric.
- 2) Cut off selvages of the fabric and narrow hem each side by turning under 1/4" and then turning under 1/4" again to enclose the raw edges. Stitch. Hem bottom edge in the same manner.

To form top casing and collar, fold over 4 1/2 " along upper edge, folding under 1/4" along the raw edge. To make a 1" casing, mark and stitch 3" from top folded edge. See **figure 1**. Stitch along lower folded edge.

Fig. 1

- 4)  Tie: If using ribbon, insert ribbon into casing using a safety pin as a guide. Trim ribbon ends on the diagonal to prevent fraying. To make a tie using leftover fabric from the cape or hat, cut or piece strips to equal a piece 3"x 54". Fold strip in half lengthwise, wrong sides facing and press. See **figure2**. Open and fold in raw edges to meet center fold. Close and stitch closed along both folded edges. Insert in casing using a safety pin. Knot ends to prevent fraying.

Fig. 2
