Supplies & Tools:
- 7/8 yd. each of 3 different patterned flannels
- 1 yd. coordinating flannel for back
- Chalk marker or marking pencil (decorative edge blade optional)
- Basic sewing supplies
- OLFA® Chenille Cutter
- OLFA® 45mm Rotary Cutter
- OLFA® Rotary Mat
- 6”x12” Ruler

Directions:
1. From each of 3 flannels, cut nine squares 8½” x 8½” and three squares 10” x 10”.
2. Layer 3 smaller squares on 1 larger square. You may keep all the layered fabrics the same or mix and
match them as desired. The result will be 9 layered piles of fabric or blocks.
3. Draw a diagonal line on the top layer of each block.
4. Stitch through all four layers of each block, using the diagonal line as a guide.
5. Continue to sew parallel lines on the diagonal, covering the entire 8½” square. Sew half of the blocks with
1/8” or 1/4” parallel lines and the other half of the blocks with 3/8” or 1/2” parallel lines to vary the
look of each block.
6. Cut channels using the OLFA® Chenille Cutter.
7. Stitch around the perimeter of the 8½” square to secure. Square up block by trimming excess fabric with
decorative edge blade.
8. Sew blocks right sides together to create a simple 9 patch, 3 rows across, 3 rows down. Alternate patterns of
fabric and channel widths to create a pleasing pattern. The example is sewn together alternating small with
wide channel widths and the direction of the cuts.
9. Square up entire blanket using ruler and rotary cutter.
11. Layer blanket and backing, right sides together, matching raw edges.
12. Stitch together, leaving a 6” opening for turning.
13. Turn inside out, press well, and slip stitch opening closed.
14. Wash and dry blanket to fluff it up.

Due to seasonal nature of project, supplies are available for a limited time only. Please read all instructions
prior to beginning, read and follow all manufacturer’s instructions for all tools and materials used. Provide adult
supervision if children participate in this and all craft projects. Because Jo-Ann Stores, Inc. has no control over
